

## Switch to Sophos: Kaspersky License Migration Chart

Sophos enables Kaspersky users to stop more threats, faster, while lowering total cost of ownership (TCO). Superior protection combined with accelerated threat detection and response keeps organizations and data safe from malware and advanced attacks. All managed through the world's most trusted cloud-native security platform and available as a 24/7 full MDR service.

KASPERSKY LICENSE	SOPHOS EQUIVALENT LICENSE	ADDITIONAL SOPHOS BENEFITS
