#### 14. GENERAL

14.1 Any Partner from whom Licensee may have purchased the Product is not appointed by Sophos as its servant or agent. No such person has any authority, either express or implied, to enter into any contract or provide Licensee with any representation, warranty or guarantee to Licensee or to translate or modify this License Agreement in any way on behalf of Sophos or otherwise to bind Sophos in any way whatsoever.

14.2 Sophos shall be free to use, for its own business purposes, any ideas, suggestions, concepts, know-how or techniques contained in information received from Licensee that directly relates to Sophos's products or business. For example, Sophos shall be free to incorporate any suggested changes or modification to the Products into products licensed to other customers.

14.3 (i) Self Audits. To help manage Licensee's use of the Products and Licensee's compliance with this Agreement, Licensee agrees to perform a self-audit upon 10 working days' prior written notice from Sophos, calculating the number of Users, Computers, Servers or other applicable units benefiting from the Products. If Licensee's self audit reveals that Licensee's actual usage exceeds the License Entitlement, Licensee shall procure the additional licenses required from Sophos or its preferred Partner. (ii) Formal Audits. If Licensee does not perform a self-audit upon request from Sophos, or if Sophos has reason to doubt the results of such self-audit, Licensee shall permit Sophos or an independent certified accountant appointed by Sophos access on written notice to Licensee's premises and Licensee's books of account and records at any time during normal business hours for the purpose of inspecting, auditing, verifying or monitoring the manner and performance of Licensee's obligations under this License Agreement including without limitation the payment of all applicable license fees. If an audit reveals that Licensee has underpaid fees to Sophos, Licensee shall be invoiced for and shall pay to Sophos within 30 days of the date of invoice an amount equal to the shortfall between the fees due and those paid by Licensee. If the amount of the underpayment exceeds five percent (5%) of the fees due or the audit reveals a violation of any license restrictions pursuant to this License Agreement then, without prejudice to Sophos's other rights and remedies, Licensee shall also pay Sophos's reasonable costs of conducting the audit.

14.4 Sophos may at its sole discretion assign, novate, subcontract or otherwise transfer any of its rights or obligations hereunder.

14.5 Sophos may amend the terms and conditions of this License Agreement and/or any documents and policies referenced herein at any time, including without limitation by posting revised terms and conditions on its website at <http://www.sophos.com/en-us/legal> and/or the location of such document or policy. Such amended terms and conditions shall be binding upon Licensee with effect from the date of such change. For the avoidance of doubt, such amended terms and conditions shall supersede any prior version of the License Agreement which may have been embedded in or packaged with the Product itself.

14.6 Failure by either party to enforce any particular term or condition of this License Agreement shall not be construed as a waiver of any of its rights under it.
